A beautiful new way to store and share images.

What we offer:

- Up to 5\$ per 1000 unique views or downloads (still testing, rates may continue to rise!)
- 100% of every membership sale (14 day cookies)
- Optimal for general traffic
- Beautiful and clean website design (no adult ads, get more views)
- More than 200 different image types allowed to upload
- Detailed statistics
- Payouts are processed with Paypal
- Minimum payout is 5\$
- Payouts are processed within 7 days of request

Our rates:

Our rules:

1. We do not allow illegal content hosted on our website
2. Adult content may not be set to public on the website
3. Using fake traffic and/or bots to boost your views will result in an instant ban of your account
4. We count 1 unique view per IP
5. Zone rates are subject to change with or without notice.

How long has this site been up?

GamersHeaven - April 22, 2016, 6:09 pm

Seems promising, i'll try this out for a while and post updates on here.

So could I use windows bots from my botnet to make it download a file, then repeat lol.

Ordium - April 22, 2016, 6:14 pm

I would be cautious that you may be able to get fucked by bots.

Read number 3.

The site looks good, but I assume you bought this script off of someone.

Edit: 800th post.
