Thread: [Karma.moe looking for reviewers! Want to write Anime reviews click here!](#)

Omoi - April 21, 2016, 5:04 pm

Hello AA section, I am currently looking for some writers to help out with my anime reviewing website.

We are looking for someone who; enjoys writing, loves anime, willing to be involved and generally likes to be social.

This is pretty simple, all we are wanting is for you to write a review and post it or send it via pm to me or [SkullCandy](#).

The anime we want you to review is: Attack on Titan, Soul Eater, Bleach or One Piece. - Any one of them. Why? They are mainstream anime and we just want to see your opinions and what you can come up with in a review.

Hey man, just a heads up, on your site you have at the top "Favorite Animes". The word "Anime" is already plural so it should just say "Favorite Anime".

The site looks good though, good luck with it all.
