Thread: [Paying \\$.05 BTC For A Tiny Task. Need 29 People.](#)

ILY ? - April 22, 2016, 9:28 am

Hello. It's simple. I need 29 people to signup for a site. Steps are easy and shouldn't take more than two minutes.

1. Go and signup here: [Click me.](#)
2. After signing up go and verify your email.
3. Afterwards go and sign in and click both "Collect Daily Points" and "Complete the missions".
4. Choose any answer you prefer from today's question and click submit.

Finally send me a PM with your username and BTC address.

Consider using this site as it is old and legit and requires two minute task per 24 hours.

P.s: Before you PM me please make sure you have 2 GN after completing all the steps.
