Can you give ~bins on these accounts? Also are you original owner and have all the required information to do a recovery test?

I'm not sure what people on HF pay for accounts, On PA these would be somewhere around \$300 ea? Trying to build a rep on HF tho so i'm selling here.

Yes i am the original owner and i will provide all required information to do a recovery test.

It's quite difficult to sell Runescape accounts on HF, however, I'll start out by bidding \$30.00 BTC for each account. GLWS.
