Thread: [Vos \(uid=2426788\) Scammer on the loose again](#)

Cryptokush - April 25, 2016, 3:14 pm

User "Vos" scammed me and multiple other users. He is now on another suspected scamming run selling an amazon gift card "method". Just wanted to let everyone know to be aware of this user.
edit: He has now changed his name to "AreYouMadBro". If you see that name stay away from it as well.

HE IS A SCAMMER AND WILL TAKE YOUR MONEY.

Just got a message from someone who was dealing with him regarding their messages with Vos.
More proof that he scammed me.
