What's the difference between a slut and a bitch? A slut will have sex with anyone, a bitch will have sex with anyone but you.

Yin Yang - April 26, 2016, 12:00 pm

A man is getting into the shower just as his wife is finishing up her shower, when the doorbell rings. The wife quickly wraps herself in a towel and runs downstairs to answer the door. When she opens the door, there stands Steve, the next-door neighbor. Before she says a word, Steve says, "I'll give you \$300 to drop that towel." After thinking for a moment, the woman drops her towel and stands naked in front of Steve. After a few seconds of looking, Steve hands her \$300 and leaves. The woman wraps back up in the towel and goes back upstairs. When she gets to the bathroom, her husband asks, "Who was that at the door?" "It was Steve, the next door neighbor," she replies. "Great," the husband says, "Did he say anything about the \$300 he owes me?"
Moral of the story: Don't be a slut.

Note: My application is being reviewed by Krave.

DeltaSeven - April 26, 2016, 12:20 pm

I have a ton of jokes. I've already applied via CP, but...

How do you circumcise a hillbilly? Kick his sister in the jaw.

Why can't Jesus play hockey? He keeps getting nailed to the boards.

What do Mcdonalds and priests have in common? They both stick their meat in 10 year old buns.

How do you get a nun pregnant? Dress her up as an altar boy.

What do you call a cheap circumcision? A ripoff.

Krave - April 26, 2016, 5:15 pm

We'll most like go through the jokes within the next 48 hours, so don't be worried if you're not accepted yet.

Audi0 - April 26, 2016, 5:58 pm

I am a manager at Starbucks and today our back of house sink decided not to drain. My shift supervisor on duty thought it would be a good idea to plunge it... That only made it 110% worse. Now the sinks are even more flooded and smell like straight shit. Its now all in our cabinets, under the cabinets and all our sinks throughout the store contained black shit. I have no idea how to fix this. Let me join and i'll tell you more horror stories on a daily basis.

I put a very funny joke at the end. Hope you guys laugh at it :)

@j0ey - April 26, 2016, 10:45 pm

In one of my first porns ever (yes I'm the guy people found out is a porn star) after it was done, I asked the girl out for a dinner because I was confused I wasn't used to the whole fuck for 4 hours kind of deal and then just never speak of it so I went back to my basics, she told me she was married and I felt dumb as hell. When I came back to the office one of the following days to prep for my new scene they had in my designated area a bunch of valentines day shit and this was in like July and jokes stayed around for like a month while I was the new male talent that I was only in porn to find love.

Let me in so I can be the The Order Love Mascot.

Zyptic - April 26, 2016, 10:47 pm
