Hello everyone! This week is probably one of my best week ever.

Regarding to my old thread about my brother: <https://hackforums.net/showthread.php?tid=5232714>

My father decided and did a loan from the bank and one of these days he'll fly with my brother to Turkey and take the treatment. I'm somehow happy and somehow sad. But at least my brother will increase his change to live.

Thank you for your shares and prayers regarding to the people from my old thread. It meant a lot to my father and me! And I'm sorry that some of you called me a scammer or my little story a "SOB Story" that will steal your money. I thank you for everything!

Maybe this will sound bad for some of you, but please pray for him! I personally lost my faith in God, but I'll try to pray for him as well. I don't live with my father so I know just a few details. But I don't want to know more. I'll just wait for statistics!

This is NOT acceptable on HF. You will not use our community for your sob story.
