[/align][b]How To Make A Fake Webcam For Horney Peados By Josh Magennis = Josh-Emm**[b]**

<http://www.fakewebcam.com/products.asp>

download that ^

And Download Any Screen capture program

Install Both Of Them

Open Up Your screen capture

goto <http://www.myfreecams.com>

pick any model and screen capture her cam for like 15 mins some horny peados join and give them money and they get there tits n shit out

save your screen capture somewhere , open up fake webcam

click contral panel on it and upload your vidoe

how to upload it to any feture with webcam on this site

<http://www.fakewebcam.com/faq.asp>

Sorry For The Shitey Tut

pm me if any questions

this is the first tut on this i think so sorry for it being so bad

PS Pheados Will love this :))

Root@Linux - July 6, 2010, 4:50 pm

Quality

Quantity

Grammar, Thats whats important about tutorials. this tutorial is

1/10 quality

1/10 quantity

7/10 grammar

Dyegunswin - July 6, 2010, 10:41 pm

It isn't the first tut on this. I've seen it before. Not exactly what you posted, but dudes had a lot more and better grammar haha. Either way, thanks for the sharizzle.

Josh-Emm - July 7, 2010, 12:04 am

, but dudes had a lot more and better grammar haha.

He probally isnt from Scotland Lol :L

Wow I Live In Scotland And The Langeuge Is So Bad , Most People Talk Like "Awrite Troopz Wits Happnin Yeeeez Dain The Daiii "

Amazing - July 7, 2010, 8:08 pm

I was actually trying to find out how to do this, thanks for sharing. ?

bornkrunk - July 7, 2010, 8:09 pm

this is really nice :) ill try it

Josh-Emm - July 7, 2010, 8:11 pm

You Can Go To The Pedos send me 7 dollars and ill show you it all

Newblet - July 10, 2010, 3:36 am

Guide could be better but well done =). I'ma try this out..

zackry - July 11, 2010, 6:17 am

I cant enter free cam , it says I am banned or my country isn't allowed to go in .

FFFusion - July 12, 2010, 5:05 pm

Just use ManyCam its A LOT better for chatting like omegle or chattroulette.

Thrice - July 12, 2010, 9:43 pm

Thanks a lot for the tutorial :)

I isn't (;

shortshortshort

Josh-Emm - August 8, 2010, 9:06 am

Bump ;D because this will help people ;D

Bug Senpai - August 9, 2010, 6:04 pm

Now how do we get rid of the damn "FAKE WEBCAM" watermark...

Meerkat?. - August 10, 2010, 1:02 am

ok idk why you all post guides on e-whoring, there are alot of them already

GoogleMe - February 28, 2011, 3:14 am

it was helpful for me so ty, it doesnt matter how it looks (maybe only for kids) if the content is unique + useful it's just fine
