Thread: [\[The Division\] SQUAD - Active players - All are welcome - SQUAD \[The Division\]](#)

?Opulence - April 28, 2016, 12:45 pm

Looking for some people to run the DZ with? Well look no further, I would like to introduce this thread to keep track of active Division players from HF.

Players: (HFname -> GT)

[R3m3mb3r](#) -> Diehardmerica

[SL x TnT](#) -> SL x TnT

[Effexion](#) -> Motorcycling

[Scortex](#) ->Lyell STL

[EBAH](#) -> The Biig Money

[-888-](#) -> o Zeus 888

[Free Kick To Hawthorn!](#) -> Herzeleid

[MGhimovic8](#) -> SK doKtor

[1nsan3 On3](#) -> iTz Freshy v3

[tornmage](#) -> TaPdAtExPrEsS

Post your GT below if you would like to be added to the list.

*The intention with this thread is to gather a list of active players, so you will always have someone to run the DZ with. Also if you're interested in saving your game clips and making videos that would be cool too.

Thanks guys!

DZ isn't fun unless you're rogue. Had an 8v1 (2 parties) attempting to kill me at one point yesterday. Only got me when I ran out of medkits. Think I got over 20 kills.

My stats

DPS: 219k - 258k + Sentry gear. Hits about 204k per crit headshot (heal + pulse) with my Vector.

Health: 80k

Mitigation: 52.6% + 10% (Reckless)

DZ Rank: 82
