Thread: [Rep killed for gang rep when I didn't gang rep.](#)

Ecto - April 29, 2016, 12:32 pm

What the fuck? Apparently Omniscient rep killed me for gang repping, when I didn't even gang rep anybody. Is this a mistake of identity? I never once PM'd anybody telling them to negative reputation someone, nor have I ever given anybody on this site any alternate ways of contacting me offsite, so the possibility of gang repping somebody isn't even plausible unless I know someone in real life on this site, which I don't. I'm so confused right now. What the hell?

No use in getting mad over falsely being rep killed? Why wouldn't I be mad? It's a joke!

Roytoy - April 29, 2016, 12:36 pm

I'm sorry this happened to you OP. It's against the rules to share PMs outside of the marketplace as far as I know.

Don't really care lol. Don't plan on building my account back up without an apology from the owner. If this is how this site is run, I want to part in it. I just feel bad for Devour who bought me 3P1C. Now it's going to waste because of a mistake on part of the owner.

Manks - April 29, 2016, 12:36 pm

Op you retard you did gang rep, just look at your given rep, you fucking nitwit

So instead of replying to his PM for further clarification, you made a lounge thread?

this is what this site is all about, omni makes shitty decisions and users are supporting it he has a policy for not changing his mind even when making a mistake and you guys lick his asshole in expectation for some sort of recognition, bunch of useless tards

Dennis - April 29, 2016, 12:40 pm

Actually he can't because people buy memberships to the site which aren't actually donations even though he claims they are. If anyone wanted to take it far enough, they could take him to court and sue him.

This is totally off-topic, but the time stamp on this picture for HF is the EXACT time it is for me atm. WEIRD.

OT: Probably best his account got closed. Seemed like cancer TBH.

Robin Williams - April 29, 2016, 2:16 pm

OP. first please do not make another thread complaining about your rep. it is not allowed and is just plain annoying and a waste of time. second, complaining will do no good.
