Thread: [2 Gbps Unmetered Dedicated Server. \[DDoS\] \[Scanning\] \[Exploits\] \[Anything Allowed\]](#)

RelativePerception - April 29, 2016, 5:07 pm

I am selling a 2Gbps Dedicated Unmetered Offshore server that you can use for any purposes other than CP or Major Crimes.

I am looking for around \$15-\$20 per month. I also only have 2 available.

I will only accept BTC as this is the only payment method I use.

Please send PM if interested.

'Cynical - May 6, 2016, 6:06 pm

I'll buy one of your servers for \$15.

RelativePerception - May 6, 2016, 7:13 pm

I now have 2 10gbps servers in stock. DDoS, Scanning, etc allowed.

aa123 - May 7, 2016, 4:03 am

Paid for a server just waiting for it to be delivered
