Thread: [\[Official Group\] Eternal For Sale](#)

Nex+ - May 4, 2016, 2:38 pm

For those who want to flame, or post off-topic, Omniscient dealt with the last ones accordingly. You have been warned.

<https://hackforums.net/showthread.php?tid=5258662&pid=50808410#pid50808410>

Had fun while my run lasted, now I'm probably going to leave Hackforums for a bit once this sells as it was mainly the only reason I came onto Hackforums. Not writing an essay, keeping this short and to the point. Group is for sale and I'm accepting Bitcoin only. Drop offers below or message me, also do not be scared to post an offer even if its under someone elses, because chances are they are blowing steam or arent approved to be a owner. My group also comes with 2 sfs, not many left with those as they are discontinued.

I am also willing to help the next owner on the things I have done and are currently doing to monetize the group if he is looking for that. I have made well over 10k off Eternal and I don't mind giving the buyer some ideas and concepts I had never done due to not having the time on my hands.

Rikk?a - May 4, 2016, 2:39 pm

I really hope you get the offer you want on this group.

Good luck Nex! :)

Remix - May 4, 2016, 2:40 pm

How much did you want to charge for your group?

I saw people posting offers with around \$5k so apparently that's not enough

Tommy - May 4, 2016, 2:40 pm

I'll start off with a offer \$500 and so we can be honest I'll props only go as high as \$1.5k anyways.

I'm glad your ugly ass is finally leaving the group scene.

EDIT : Why did someone report my post this is a serious offer wtf.

[warn]

J. McCarthy - May 4, 2016, 2:41 pm

I'll still do the 3k offer if you come down to that.

Nex+ - May 4, 2016, 2:44 pm

Just going to post this, I'm not accepting anything less then 5k. I'll keep my group over selling it for that low

If you're gonna bid that low, might as well let Omni buy the group.

Omniscient Wrote: [\[CITE\]](#) If groups did hit 2.5k. I think I'd buy them myself and close the group. So if you're interested in retiring your group and want a payout. LMK. I will consider it.

Good luck with selling Nex+, hope you get the offer.

Zexo - May 4, 2016, 2:48 pm

I hope you get a good price for this people need to stop trying to low ball groups.

Good luck keeping this thread up for the next 6 months ain't nobody offering that.
So if you're not offering that, why are you still here lol

You're pretty much irrelevant to this whole conversation if you're just gonna be a prick. Sorry no one is selling you a group because you can't afford to meet the price.

For someone that talks so bad about poor people, I thought you would step up. Maybe it's all talk.

Heart of Kings - May 4, 2016, 2:48 pm

Good luck selling your group man!

If you were actually full force trying to sell it, you wouldn't have this mentality. That being said if you're still willing to keep your group why not just look into getting new leaders or dishing out some responsibility/rebrand something to keep you in the game.

Already got 3 offers that were \$5,000+ Tommy. You dont set the margin price of groups sorry.

Krave - May 4, 2016, 2:50 pm

Good luck with the group sale Nex, let's hope you get a nice offer.

Rikk?a - May 4, 2016, 2:50 pm

I honestly think this is a reasonable deal right here considering Nobility is offering 7k for his group.

I bought my group for business only, at the current time in my life it doesn't make sense for me to keep it, but I do not need money that bad where I have to sell it cheap as hell.

Let's be real here, you couldn't even afford to pay me \$50 a week how are you going to buy a group? Also with the attitude you have of hating me for kicking you from leadership because you can't pay up, I'm already 90% sure you will be denied based off of your actions.

Goodluck selling your group, Nex.

If Tommy could afford it easily, he wouldn't be fighting tooth and nail to get the price dropped and bitching whenever no one met his demands. He honestly just looks like he's fronting.

I kinda feel bad though. I hope he doesn't buy because I really don't want the kid to fall into serious debt.

Anyway, I hope Nex+ gets the offer he's looking for.

Tommy - May 4, 2016, 5:37 pm

I'm guessing Formula1 \$3k offer is the highest currently?

You should take that and run before offers turn to \$2k overnight. ?

The GRim - May 4, 2016, 6:17 pm

Good luck with this Nex.

I'm sure you will be ignoring broke lowballers like the above kid.

Idk man I'm either buying a group or buying team shirts to sell out of my racing trailer lol.

Question: why are leadership spots up for sale at the same time as the whole group is up for sale?

Reece Morgan - May 9, 2016, 9:37 am

I'd be happy to drop \$2k on a group (assuming Omni approves me). I know there is probably a lot of offers above this, but I'm just leaving the offer here anyway just in case.

Havent gotten any decent offers yet, so may not be selling the group. However if someone does throw a decent offer that I like I may sell.
