Hey guys,

I've been a member since 2014, been a long time lurker. Can someone please point me in the right direction to where I can find more information about how I am able to post in the marketplace? I can't seem to find it anywhere.

You need positive reputation, which needs to be earned, to be able to post in the marketplace.

Also, I believe this should be posted in the Rules, Announcements, News and Feedback section with "[Policy Question]" as the prefix.

Sorry for posting in the wrong question but thanks for your reply, I really appreciate it.

You have now met the requirements to post in the marketplace. Hopefully a mod will come by and close this thread now xD
