Haven't received my l33t. It has been 2 weeks now and user is giving excuses and now stopped responding to PMs :-(

I was so excited about it. Feeling disappointed. ?

This contest seems fake guys.

Don't forget to mention the amount of time I was not on HF, Since the 19th till yesterday I believe ?

Also offered the user BTC that would allow him to get his L33t and he declined

Maybe he doesn't have a bitcoin wallet? Anyways it doesn't matter anymore since I upgraded him lol.

I didn't have BTC account bro. I am sorry but your last few PMs made it looked like it is fake.

Your friend upgraded me and it's all good now. :-)
