Thread: [Is Magi good?](#)

Duk. - May 6, 2016, 6:38 am

Thought it looked alright from the cover haven't heard much about it otherwise tbh. Just wondering if it's something I should watch ^_^.

CorrosiveBlueberry - May 6, 2016, 7:05 am

Yeah i watched it like 2-3 years ago; really really enjoyed it when i did, it's really good IMO if your looking for something in that genre. (fantasy)?

Stuff like HxH, Rosario + Vampire (I am not sexually attracted to anime so just the story portion xD), uhmmmmmmmm Mirai Nikki, Another, Watamote, Railgun, I can't think of any more off the top of my head :p

SIM-2223238 - May 6, 2016, 7:11 am

Yeah I personally liked it alot :)

typhoid - May 6, 2016, 7:11 am

its damn good. one of my favorites even

Chad ThunderCock - May 6, 2016, 7:34 am

Its ok, I would've prefer if Sinbad was the MC, he's the manliest man of all men in the history of mankind

Duk. - May 6, 2016, 8:11 am

Well I'll give it a watch I guess :0

CorrosiveBlueberry - May 6, 2016, 8:23 am

Yeah it makes you feel like your actually going on an adventure IMO atleast the first season; did when I was more new to anime it is very adventurous. "Rpg like feel"; although it's obviously not like those MMORPG anime (sao, etc)

SkullCandy - May 6, 2016, 4:23 pm

I will have to give this a watch too! Been meaning to try it out

Mouse? - May 6, 2016, 4:26 pm

Honestly really liked it. Still watching. Should have finished in time to start the story about sinbad on time, but whatever

skelly76 - May 6, 2016, 11:05 pm

Yeah you should definitely have it on your list. 8/10

SkullCandy - May 7, 2016, 1:18 am

MAL is confusing me with this show, which one do I start with?

It's really good I liked it very much and it hasn't finished yet

Devixx - May 7, 2016, 9:56 am

I've heard it's really good, but I haven't checked it out myself. If you check it out and like it let me know what you think.

Actually it's more of a 9. Ha Nine, get it?

Greed. - May 8, 2016, 3:34 pm

To be honest, IT's a great anime I do however prefer the manga, Alibaba is my favorite character.

St0rm - May 9, 2016, 9:58 am

Magi is by far one of the best animes and mangas I have ever seen/read.

dannyoceanic - May 11, 2016, 3:29 pm

I watched this anime last year and if you are into magic, I would suggest to watch it. The story overall is incredible. After the anime, start to read the manga and get blown away by the amazing story, because it's getting better and better. They will put out the story of Sindbad this summer, somewhat of a prequel to the magi main story. I hope that they will continue with the magi main story and some place and time.
