Thread: [HFAAlert Rainbow Donut Contest.](#)

Silicon Valley - May 6, 2016, 4:14 pm

The previous recipient of the rainbow donut is an accused scammer therefore their donut was removed. So now the contest is being re-done. But in a different way... The rainbow donut is the rarest donut within HFAAlert. Only 3 will exist at a time.

Simply go to:

<http://www.siliconhf.me/contest>

to start.

Instructions are on-site good luck to all!

I'm too much of a high roller.

\$1000 has won. Congratulations. I had to disable the site since I didn't want multiple people winning at the same time. I've just updated the site and \$1000 is the one and only winner.
