xD Lol , from the looks of it you aren't give it out to everyone. Well If you want a reason why I would want some sites it is because most if not all of my customers ditch me after they get their free sample. The reason why I think that's happening is because they sites are saturated af so they are use to seeing e-whores and just wanna get anything out of them without having to pay. : P Cheap fucks. So some sites would help :D. Thx.
