Thread: [>>> Ultimate Coding Compilation <<<](#)

?XiS - May 8, 2016, 10:01 pm

Came across a massive folder on my PC full of HTML links directing to websites/tutorials teaching all the main coding languages. The pack consists of VERY detailed tutorials on:HTML/Css

Php

C

C++

C#

Java

Python

Perl

If you're interested in this, simply click [HERE](#) to send me a PM, and I'll reply as soon as I can.

Package is cool. Bunch of random shit for some beginners to learn. Vouch!

Stashyy - May 8, 2016, 10:10 pm

Post2PM?

Well no I think I might be an idiot.

I'll send a PM your way. I want to code an awesome booter like yours.
