Thread: [K!ng's Movie !SERIES! list. \[HUGE LIST OF SERIES MOVIES!\]](#)

K!ngGFX - May 9, 2016, 12:15 pm

Here is a list I have compiled. I have personally watched every movie series on my list so I can personally say they are all worth watching. This list is of series movies, meaning there are more than one.

This took me a long time, and a big shoutout to other movie lists for exposing me to such awesome movies.

If you are on this thread RIGHT NOW, please post a reply so that the thread will stay alive and more people will see it :)

*Huge shoutout to the other movie list creators on here. I couldn't have made my refined series list without you guys opening me up to some awesome movies!
