Thread: [What are your favourite motivational quotes, pictures and songs?](#)

Lorenzo Gucci - May 10, 2016, 11:01 pm

I know this is a really generic thread but honestly I don't care.

I have a wall of what I consider to be people I look up to, for example Michael Jordan, Nelson Mandela & Wladimir Klitschko. I also have multiple quotes that I mind very powerful and motivating, this helps me daily.

So HF, would you care to share some of the power quotes and pictures you have come across?

Thanks.

"An ounce of patience is worth more than a tonne of preaching."

"Change yourself – you are in control."

"See the good in people and help them."

"Without action, you aren't going anywhere."

"Take care of this moment."

"Be congruent, be authentic, be your true self."

"Continue to grow and evolve."

"A no uttered from the deepest conviction is better than a 'Yes' uttered merely to please, or worse, to avoid trouble."

"Glory lies in the attempt to reach one's goal and not in reaching it."

"An eye for an eye will make the whole world blind."

"Happiness is when what you think, what you say, and what you do are in harmony."

"Nobody can hurt me without my permission."

"In a gentle way, you can shake the world."

Nobody travels on the road to success without a puncture or two.

Experience is like a comb that life gives you when you are bald.

You got to choose between tightening your belt or losing your pants.
