Thread: [Make Groups Great Again Brothers.....](#)

nique ta mere - May 13, 2016, 5:27 am

I am looking to lead a group into victory. PM me. One time offer for you group owners.

Some quotes from me

"The weak can never forgive. Forgiveness is the attribute of the strong." - random person

"First they ignore you, then they laugh at you, then they fight you, then you win." - random person

"Nobody can hurt me without my permission." - random person

The Grim actually offered me a leadership spot in nightmare but I told him to give me some time to think about it.

"random person is the leader you need"

random person is the chairman of a holding company comprised of more than a dozen privately held businesses with combined sales exceeding \$5 billion a year. He has been honored by Accenture as one of the "Top 50 Business Intellectuals in the World"; by Harvard Business Press as one of the "Top 200 Business Gurus"; and by American Express as one of the "Top Six Business Leaders in the World" to coach its entrepreneurial clients.
