Put some over-sized lips on that bitch and add a speech bubble that says:

Thanks very much.

Text? Emerald Works Property Services

Size? High definition. I am not too sure of exact dimensions

Colorscheme? Green? or whatever color you think looks best.

Renders/Images? up to you

Additional thoughts? Possibly incorporate grass such as the image provided. Possibly an emerald?

PongLenis - May 15, 2016, 11:34 pm

Text? The word "Brasz" in the bottom middle of the picture, and the letter "B" as the main focus of the logo.

Size? 800x800 (Youtube profile picture)

Colorscheme? Would like a bright blue and orange colour scheme, feel free to add in any other colours you'd like to make it look nice.

Examples? Here's a very dumbed down picture I made, not very creative myself so it looks pretty awful, but you could base it off this, or make it completely different if you have any ideas that spring to mind. I've PM'd you a Gyazo of my example as I don't have 50 posts yet.

Additional thoughts? A simplistic but nice "B" logo, with the name Brasz at the bottom. The background could be a blue with a nice pattern, or with some sort of effect that doesn't give it a boring single colour look (My example in a nutshell).

Not too bothered if you can't get to this request as you seem to be getting quite a few, but thanks in advance if you do get around to mine.
