Thread: [Family Guy VS The Simpsons VS American Dad VS South Park](#)

CTR0X - May 14, 2016, 11:42 am

Hello i have a question to everyone here ^^

I really love Family Guy and The Simpsons and American Dad.

But i like Family Guy abit more because i think it havent changed as much as the other shows, when family guy first came it had more quality then Simpsons had.

I loved Simpsons before, the old episodes, not the new euw...

Same with the family guy. I miss when Stewie tried to kill Lois all the time and now he never tries to do it again... why not?

Why did they want to delete brian?

With that new dog?

I didnt like that either... i gave it a shot and i started to like him.

American Dad is funny and i dont watch it so much

and South Park i just dont like it because it feels like someone drawed them and havent changed since they got on show...

Please write here which one you like and why.

U can also do a review xD.

(Sorry for my bad english)

I think they're all pretty good animes

Germany69420 - May 14, 2016, 11:47 am

South Park is the best in my opinion.

Manks - May 14, 2016, 11:48 am

Southpark has driven it's quality easily 20x from when they first started

Family guy just uses borderline offensive jokes most of the time.

Idc for Simpsons

Karambit - May 14, 2016, 11:56 am

The Simpsons comes first. Seasons 1-11 Brilliant.

American Dad seconds. I've been really into it lately.

Family guy third. Funny Edgy humour

South park last, never properly got into it.

Personally love South Park because of how creative the episodes are, and how they will roast anyone.

poisonivy0 - May 14, 2016, 1:00 pm

Hmm i never got into it, i just dont like them xd.

I just love 1 episode and its with the ginger one lol.

Frankey - May 14, 2016, 1:03 pm

Southpark is the best for me, because it puts information from the real world within the episodes. I do not see that very often in Family Guy, in American Dad I see it to, but I just don't like it very much. Never really watched the Simpsons, maybe saw 4 episodes or so.

DooSaM - May 14, 2016, 1:05 pm

Judicious? - May 14, 2016, 1:07 pm

I like family guy. By far the best but American Dad is pretty good too.

Nostre - May 14, 2016, 1:07 pm

1. South Park
2. Family Guy
3. The Simpsons
4. American Dad

?

Narrate - May 14, 2016, 1:09 pm

Well, the top ranking show would have to be South Park. It's probably the most to date show when it comes to references and jokes about modern culture.

Next would be American Dad. While it's debatable how funny the show really is, the humor runs consistently throughout the seasons.

Now to Family Guy, which is really dropping off the scale but still has it's funny moments and episodes. The Simpsons is more or less dead, no one really watches it anymore unless they're channel surfing, and the only reason the show has continued on for this long is due to the persona of the long running show.

imperlin - May 14, 2016, 1:10 pm

South Park. I agree with Cash. They roast everyone and it's amazingly funny!

Vallentino Rossi - May 14, 2016, 1:10 pm

Simpsons > South Park > Family Guy > American Dad.

South Park > Family Guy > The Simpsons > American Dad

But I don't really watch any of these, maybe when I was younger.
