Thread: [\[UNLOCKING IPHONE 5S\] I need to unlock this IPHONE 5s FACTORY RESET w/NO ICLOUD PASS!](#)

Scriptie - May 15, 2016, 12:58 am

Does anybody know how to actually do this? It would be highly appreciated in all honesty! Please help me out with this one, the phone is not sim locked, just locked out of the icloud account! HELP ME PLEASE!

Can't you just put it into DFU mode & connect it to iTunes and then do a full factory reset?
I'm not good with icloud lock so Im just wondering if you tried that
