I can vouch that KRF. is legitimate. He gets tons of AGC from this method. I would buy this if I had the money.

Thank you very much for the vouch ?

Extremely appreciate it!

First 2 students who buy get an extra "small" method where they can sell their Amazon Gift Cards for 80% and get their payment in Paypal and even on Bitcoins (totally safe).

Please read the whole thread.

No vouch copies will be given.

Only 5 students can buy this and after that it's closed.

This method can give you huge earnings on your first day.

You can even see that i earned 200\$ + in only 1 day when i first started this.

Im afraid proof can be forged very easily with photoshop. i really recommend you get someone to write a review for your product. ?

You're using Gmail for your ewhoring stuff. Suspicious? ?

I receive my gift cards there yeah , why suspicious?

This is a unique method which makes everything look legit ;)

Price is too much high. There's a lot of free tutorial here on hf from basic to pro. If this is not an ebook, this shouldn't be here. Try to lower your price and GLWS.

Try to lower your price and GLWS. This is mentoring , HF E-Books are just for "beginners" they don't cover up much. This mentoring will earn you money and i can guarantee more than 100\$ on your first day.

Price will not go lower :).

FranklinJ - May 16, 2016, 8:02 am

So i have been busy with final exams and i thought why not earn a bit , 80\$ within a partial 4 hour work. Was logging in , 10 minute chat earned , easy as that!

You should lower your price, just because if its mentoring doesnt mean the price will be high but whatever its your thread :)

FranklinJ - May 17, 2016, 7:24 am

Lowered the price from 250\$ to ONLY 150\$ for ONLY 2 students for today.

Get this chance.

FranklinJ - May 18, 2016, 7:44 am

Take the chance , it's only 150\$ for a couple of hours!
