LIVE DEMO: [CoinPredict.co](#)

CoinPredict is a fresh, 100% functional Bitcoin betting game script. This is a unique concept and only one or two similar sites are currently running which is great competition and potential to grow fast. Make sure to be one of the first customers!

The script comes with a complete setup guide and support via Skype.

› What is CoinPredict?

CoinPredict is an exciting betting/prediction game based on the crypto currency BitCoin. Predict a future BitCoin value and win. The more predictions in one round, the higher the stakes.
