bumping thread :) anyone want rat lesson?

Infinite power - May 18, 2016, 3:33 pm

If you want a review lmk.

I already have LL and Orcus setup and I know how they work which means I can rate your usefulness much better than people who do not.

Alright good luck with him!

Btw do you also do vpn portforwarding? I am sure there will be a few people who don't know that yet.

Replied to all ur questions.

(May 23, 2016 09:52 PM)Infinite power Wrote: [\[CITE\]](#) Whats the detection rate on the crypt and the .doc exploit?

doc exploit was 0/35 last i checked crypt will be anywhere from 0/35 to 3/35 on average.
