Thread: [Back from Greece!](#)

Krave - May 16, 2016, 12:28 pm

Just got back from a 1 week vacation to Greece. I did nothing but chill in the sun, swim and eat. Oh, and drink a lot. It was a lot of fun, here's a picture I took to show you where I stayed.

Has anyone else been to Greece? If so, what did you do there?

I would also like to ask everyone what your favourite vacation location is?

Looks nice :)

I think I'll be going to either Greece or Spain in September.

Anyways, how's Greece? Does it feel poor due to the debt thingy? How was the climate?

Do us a favor and ban yourself.

Enjoy it! The resort I stayed in was extremely nice, 5* rating but you walk into the town which was around 15 minutes away and it was in pieces. It's a huge shame really as it felt like a 3rd world country. The main cities wont look like that though.

Tomoko - May 16, 2016, 12:31 pm

Never been to Greece but I wanna go there in vacation with friends one day to one of these resorts that I see on TV documentaries and such.

I dont have a favourite because I spend my vacations either at home or chilling with my friends.

I'd like to visit Japan though, staying 2 weeks there with some friends would probably be pretty cool.

Looks like a very beautiful place, I'd love to visit Greece. As for a vacation place which I'd like to go personally, Boro Boro takes the cake.

Looks relaxing. Not too many kids infesting the pools.

It was extremely quiet because the kids were still at school, I would never go in the holidays, not anymore at least.

I've never been to Greece in my life, but I must say my favorite place to go on vacation would be to Hawaii or Cabo.

Shoutout to boxxxy for bumping this shit... anyways.

First time I went to Rhodes and second time I went to Halkidiki.
