FireNice - May 17, 2016, 1:19 pm

So I'm new in the ewhore community like you can see.

I didn't know nothing about hacking (which is still the case ?).

I found a ton of informations on HackForums, in the eWhoring, C++, Currency exchange section.

Since I'm on HF, I worked 2 days and I got \$635 from eWhoring and currency exchange in part.

I even got a customer which bought \$100 from me as you can see here :
