Thread: [Advanced VPN Management System / VPN Panel - Start your own VPN Service Easily!](#)

Cryptic™ - May 17, 2016, 7:28 pm

[Want to Start up your Own VPN Service? Created many of HF's most successful companies! CLICK HERE](#) by Cryptic™

Original Thread: <https://hackforums.net/showthread.php?tid=5157221>

I bought the ownership of the script a few months ago and have improved it myself.

A handful of companies on HF are using it already.

General Features: News & Updates Panel

Opening & Closing Ports

Paypal & Bitcoin Payments

Ticket Support System

Service Stats Page

Mailing List Settings

Download & Other Pages

E-Mail User VPN Information after Payment

Ability to Reset VPN Password

General E-Mail Notifications (Ticket, Account Suspension, Expiry)

Support Staff

Administrative Features:

Customers Management

Servers Management

Packages Management

Mass E-Mail Sending

News & Updates Management

General & Payment Settings

Manage User Package / Duration

Gift Code Generation

Blacklisting Ports

Change between php / smtp mailer

Enable / disable user e-mail activation

Sync user to a specific server over admin panel

There is also a new feature when customer is able to order dedicated vpn server with private ip address, and ability to add alt vpn accounts on his server through rvpn dashboard.

Backend Features: Create user vpn account right after the payment.

Delete user vpn account after expire.

Import all users with active vpn package to freshly added vpn server.

Save actions (such as creation, deletion of vpn accounts) if one of the vpn servers are down and execute the action once the server is back up.

Count users that connected to your vpn service.

This price also comes with the client.

chase. - May 17, 2016, 7:29 pm

Don't hesitate to purchase from Cryptic

illuminati? - May 17, 2016, 8:21 pm

Massive vouch for cryptic.

Done many deals with him in the past.

Sadistic - May 17, 2016, 9:22 pm

How much for only the client (If possible)

Sadistic - May 17, 2016, 9:47 pm

(May 17, 2016 09:44 PM)Cryptic™ Wrote: [\[CITE\]](#) \$60 for the client on it's own and it comes with complete documentation.

Code Custom OpenVPN GUI Pro Edition is a openvpn client application for windows users. Also it is a replacement for your old openvpn GUI looks. It helps to built your own openvpn GUI with your company brand name. Currently pro edition support dynamic server list feature and also possible to add (or) delete any server remotely. It support almost unlimited servers to list and connect!

Features:

- Flat Win GUI Style [Blue]
- Support OpenVPN TCP & UDP protocol
- Support unlimited servers

- Dynamic server list [Fetch data from your server]
- Add (or) delete any server remotely
- Also support offline server list
- Count sent and received data
- TAP Error Detector
- Automatically fix TAP Errors
- Inbuilt ping of any domains
- ComboBox with flat country icon's
- Shows status of each actions (eg. Auth Failed, TimeOut, Connected etc)
- Social media icons
- Inbuilt Custom Log File Viewer
- Automatic VPN startup (Start at Windows Startup)
- Custom landing page
- System tray notification
- Update notification to users
- Remotely push latest news

Requirements:

- Dot Net Framework 4 [VB.NET]
- TAP Drivers
- Visual Studio 2010 [For editing the source!]

For Server Side script

- PHP 5.3
- file_get_contents() must be allowed

VPN Client Works and Tested:

- Windows XP SP3 / Vista / Win 7 / Win 8

Do you get full source code?

Yes, you get full source code, server side files (PHP Script) & include logo PSD files.

Note:

You need a basic knowledge on VB.NET for customizing the source code. Documentation included for basic things

to configure the client. If you don't know to customize the whole source code, hire us for customization (or)

hire some freelancer. We don't provide any free customization.

Version 1.1 [11/02/2015]

- Updated the Openvpn core files
- Bug Fixed: GUI Animation Part
- Bug Fixed: TAP Driver Crash

Version 1.0

- Initial LaunchOkay! Accept my skype I got another small question <3
- P.S I have no life #3 min reply

Cryptic™ - May 18, 2016, 10:07 am

Next three copies sold can get 10%off

Cryptic™ - May 22, 2016, 3:35 pm

Sold 1 copy, 2 remaining for 10% off.

James Burnham - May 24, 2016, 5:19 am

What kind of skills does that require? Can you include a mini tutorial?

Cryptic™ - May 26, 2016, 9:16 am

Sent you a PM. Still for sale.

StevesTrolls - May 27, 2016, 12:55 am

Vouch for Cryptic. I purchased a copy of this off the previous owner, good to see it back in use.

BITCHLESS - June 10, 2016, 2:50 pm

Is it possible to add reselling feature?

Cryptic™ - June 10, 2016, 2:54 pm

(Jun 10, 2016 02:50 PM)Dramario Wrote: [\[CITE\]](#) Is it possible to add reselling feature?

Sending you a PM now. Need more details.

Cryptic™ - June 10, 2016, 3:03 pm

(Jun 10, 2016 02:56 PM)Earl Joseph Wrote: [\[CITE\]](#) vouch for this. I know it's an excellently coded project. The past owner has been very helpful with creating some scripts i needed - advanced scripts. Good luck man.

Thanks, if anyone needs anything custom coded as an add-on for this let me know and I'll see what I can do.

Cryptic™ - June 11, 2016, 5:00 pm

[KFC Watermelon](#) has purchased a copy of the VPN Panel and will be integrating the VPN into one of his upcoming projects.

#Exploit - June 11, 2016, 5:41 pm

Huge Vouch for Cryptic, HQ products from HQ user.

Wish you the best

WinA - June 12, 2016, 5:53 am

How would i host the vpn servers? if i bought this

Cryptic™ - June 12, 2016, 6:29 am

(Jun 12, 2016 05:53 AM)WinA Wrote: [\[CITE\]](#) How would i host the vpn servers? if i bought this

Sending you a PM with some information

WinA - June 13, 2016, 4:01 am
