Thread: [Clash of clans WINNER!](#)

LordBed - May 23, 2016, 3:31 pm

Hey guys tried to sell this so many times but I'm just gonna give it away. It's a clash of clans base that's maxed for town hall 7 but it's town hall 8. Pretty good stuff, I'll post the imgur link below so you guys can check it out. Just post and comment a number 1-100 and I'll random number generate to pick the winner! Good luck! I'll draw in 1-2 hours after this threads been posted! so be sure to check back!
