Thread: [Runescape HF Public Teamspeak \(Active, Stop by and join\)](#)

Redwall - May 24, 2016, 1:09 pm

Public RS Hackforums Teamspeak

Rules:

1. Please Confirm your profile with me to be verified.
2. No flaming or disorderly conduct.
3. Enjoy yourself.

General information

We will just be chilling and skilling, participating in PVM and boss fights.

Overall making the runescape experience a little bit more chill and relaxing. It's also a great way to interact and meet new players.

We will be doing future HF giveaways and more.

We've tried Discord in the past and we find Team speak to be more organized.

CupOfJava - May 24, 2016, 8:49 pm

Ill join this anyone currently in?

Fortified Design - May 24, 2016, 8:52 pm

I would join if it was discord. But might redownload ts3. Just to talk.
