Thread: [Grammatical error in "Bragging Rights"](#).

WoodBang - May 25, 2016, 3:53 am

It really isn't important it just kinda bothered me a lot when I was making a thread and I kept re-reading it.

Quote:Important Rules for Bragging Rights

1. No bragging about any HF stats such as reps, posts, awards or thread views.
2. No bragging your account was upgraded.

If you go to make a thread ^ this is what you see. If you look at the 2nd rule you should see the error.

Quote:2. No bragging your account was upgraded.

I might just be retarded but shouldn't that say something like this?

Quote:2. No bragging about your account being upgraded.

It can be said like that.

It's basically like saying "no bragging that your account is upgraded."

"That" isn't in there, so the way it's said is still correct.

I worded it the way I did to make it constant with the first rule.
