Thread: [Amazon Give away \[USA only\]](#)

Juan The Young Chef Don - May 25, 2016, 12:09 pm

Alrighty folks. So while I was e whoring I got payments from American AGC and I claimed it being the dumb fuck I am. I'm in Canada and I've contacted Amazon about they said you're fuck blah blah blah soooo. This one is for good ol 'Merica. I have exactly \$30 in my American Amazon Acc so whom ever wins will get a item of \$30 or two for the total of \$30 etc. Taxes and shipping has to be included. Thread is done by friday I will be picking the winners then.

Thread finished Friday May 27th at 3:00 EST.
