Thread: [Where do you get thread design icons?](#)

Airness - May 26, 2016, 4:19 pm

Not sure if this is the right place to ask but where do people get thread design icons? If you don't understand what I'm talking about, here's a picture...

Btw I tried searching it up but can't find shit.

Warning: Big ass picture

Spoiler [\(Click to View\)](#)

Like those icons with people, lighting bolt, paper, and headphones.

Thank you for helping!

Please help, need to know this!
