Thread: [How Do I Backdoor PDFs FUD?](#)

MrNacho123 - May 27, 2016, 5:34 pm

Hey HF,

I was thinking about doing the methods to backdoor some PDFs but I found out it wasn't FUD. Does anyone know how I can make it FUD? Thanks :)

Metasploit + good encoder

I'm not an expert in this, waiting for someone more xXperienced
