Thread: [How to get money?](#)

**bezhana1** - May 29, 2016, 8:28 am

hey guys, i was interested how can you get money by ratting someones pc?

**Klima** - May 29, 2016, 8:38 am

it's strictly illegal to RAT a pc for non educational reason but you can make by bitcoin mining and other blackhats methods..

**Purple Kief** - May 29, 2016, 8:39 am

I suggest you look for other methods if your goal is making money.

**bzr?** - May 29, 2016, 8:46 am

Well...you don't. This is not an profitable venture

It's  
if you use blackhat methods you can make alot of money from this
