I'm about as conservative as it gets, with the exception of a few social matters, and I don't support Trump.

He does not have the traits a leader should have; in fact he has quite the opposite.

I support trump.

Hit me with that wet dick daddy.

Rayon - May 29, 2016, 10:04 pm

Reported your thread to the big man. You're basically offering negative reputation as a currency for people willing to admit they support Trump. It's against the rules to use negative reputation as a currency! Enjoy your rep kill!

If you can find that in the [Help Docs](#) I'll send you \$5 PP.

Heart - May 29, 2016, 11:10 pm

I find it hilarious when members can't find the right section.

Lil Boom - May 29, 2016, 11:11 pm

I don't really like any of the people running for president tbh.

I like Bernie IG but he'll probably have a heart attack within the first month.

What is reputation abuse?

Reputation abuse can be very complicated subject matter. Here is a list of the following ways reputation can be viewed as abuse.

- Flaming: Using extremely coarse language to describe or berate a member.
- Reputation as a currency: We do not allow the buying or selling of reputations.
- Gang Rep: The act of coordination with other members to raise or lower a member's reputation is not allowed.
- Rep Coercion: Using intimidation, threats, or blackmail to get reps added or removed.
- Rep Requesting: You cannot give hints, tips, or request reputations.
- Scammer Reputation: You're required to leave a link to a Deal Dispute thread you have created to infer someone is a scammer (ie: scammer, scams, chargebacks, scamming). Please note that a Deal Dispute link must be your own thread you've created. It cannot be a thread opened by another member.
- Deal Dispute Linking: We don't allow you to link to a Deal Dispute forum thread that's opened by another member.
- Reputation Collusion: Agreeing to participate in reciprocal reputations with a member.

= Rep coercion can also be seen in this thread.

- Fair enough but I'm not buying/selling so I don't see how that applies.

What does that have to do with this thread?

That would've been a great service btw.

If this is as bad as you guys think then we'll see if my account is still alive tomorrow.

However if I have to get banned then I'll be happy it was for bashing Trump.
