Thread: <https://hackforums.net/showthread.php?tid=5284114>

Purchased an overwatch account from this user for \$20 BTC on the 31st of May, it is now 2nd of June and he has been online multiple times, viewing his threads etc. He has scammed others too if you look at the thread. I don't expect to get my account OR my money back hence why I am making this dispute to warn others about him.

Sorry to say this but you won't be getting your money back. He's one of the biggest scammers on this website who scams new people

I'm an idiot, thought I could trust him based on previous transactions vouched for on his thread.

It's always best if you wait for reviews or people posting proof.

I purchased from said user on the 29th, and still have my overwatch account no problems whats so ever.

I mean even look at his thread, others are still waiting also. I am still happy to just receive my account and close this, but he hasn't contacted me yet or others so doesn't look like I'll be receiving it.

Dark has private messaged me asking for a few days to sort his things out, will allow him a few days to refund me before scam report continues.

Danny Khalifa - June 3, 2016, 2:38 am

Hope Dark will solve those problems and continue his business.

Waiting to see updates.

Le Max - June 3, 2016, 3:12 pm

Just updating with my private messages with Dark, he has now said that he spent my Bitcoin before even providing the service and that we will have to wait for PayPal to resolve OTHER disputes others have made with him.

Good luck on getting your money back, but I would consider it gone. I also have a [report](#) on this individual.

Grievous????? - June 3, 2016, 4:19 pm

Damn! thought this was me for a sec ?

My username used to be dark, then I remembered I dont play / have overwatch.

Naruto - June 3, 2016, 11:07 pm

I'm waiting for \$20 btc refund too, will update if i receive it

Le Max - June 5, 2016, 4:37 am

I wouldn't be expecting a refund, any of you. All of the accounts have reversed and he's trying to blame it on the person who "gets" him the accounts.

Aksui - June 5, 2016, 3:31 pm

This is fucking bullshit. bought 2 accounts off him 1 works 1 doesnt

At least you even got 1 account, he spent my BTC before even giving me the account and I still haven't got it and he hasn't refunded me yet.

kiNg OwL - June 6, 2016, 3:14 pm

I've had my overwatch account now for a week and a day, nothing's gone wrong.

You seem to be the only person who hasn't had issues with him, sure you aren't just his partner or something like that lmao?

He hasn't refunded me like he said he would, nor is he replying to PM's. DWC when dealing with the retard.

Le Max - June 8, 2016, 1:21 pm

He is not replying at all anymore, DWC everybody.

Naruto - June 9, 2016, 10:47 pm

Haven't received any updates from him..

I guess that's how hes still not banned after years of scamming..

Just keep delaying until everyone forgets about it

Le Max - June 10, 2016, 2:43 am

I ended up buying it legit, pretty good game. Fuck you Dark, scamming fuck.

Still no reply from Dark, don't want to let this scam report die though.

Le Max - July 8, 2016, 11:16 am

Would just like to remind everybody about Dark, make sure you don't deal with him. I messaged him recently to be refunded and he's trying to say I charged via PayPal when I paid via Bitcoin smh.

Vodka - July 12, 2016, 12:30 pm

I bought one from him and I lost it as well. Vouch for the OP

What was the point of posting this in a thread unrelated to the person you're talking about in the other thread?
