Thread: [Do You Flush Before You Finish Peeing?](#)

funtela - June 3, 2016, 8:18 am

I know this is weird lol. But I can't be the only one. I always flush when I'm almost done. Sometimes I have to flush a second time because I flush too early lol.

Anyone else flush before they finish? ?

Human - June 3, 2016, 8:19 am

I only do that to attempt to see my pee go down while its flushing

Yin Yang - June 3, 2016, 8:20 am

I remember when you brought this up in the Order lounge haha.

Cleveland Cavaliers - June 3, 2016, 8:21 am

What the fuck, why? Like, what's the reasoning behind that. Do you want to beat your cock or some shit (no homo)?

rapidfire08 - June 3, 2016, 8:21 am

I do this sometimes and regret wasting water with an extra flush. I will make sure this doesn't happen again.

Yea haha. I figured it was "Lounge Worthy". I'm just at least one in every four people do this. Maybe even more lol.

grady - June 3, 2016, 8:21 am

Nah dude, I don't flush at all.

No but better question, does anyone feel like it's a contest to see who pees the longest in public restrooms?

Elegant - June 3, 2016, 8:22 am

That's why I flush after I finish peeing, because I would always flush too early and would have to re-flush.

70s - June 3, 2016, 8:22 am

ive never done this but gonna try it next time i go seems like a fun time

Punisher - June 3, 2016, 8:23 am

No, I don't flush before I finish. I do try to clean the toilet with my piss though, since it's super acidic from drinking all that dank ass Mt.Dew.

The better question is:

Do you wipe your ass sitting or standing up. Left hand or right?

Pillows - June 3, 2016, 8:24 am

I'm trying to understand the reasoning behind your action but I just can't see it o_o
Flushing before you finish just looks like a waste of water

grady - June 3, 2016, 8:25 am

* grady flushes the toilet, pillows i see you there

Fish - June 3, 2016, 8:25 am

granz???????????????? - June 3, 2016, 8:26 am

Pharcyde - June 3, 2016, 8:27 am

Lmfao, I do this a lot. Sometimes too early as well and I try to hurry before it finishes. ?

Jesus666 - June 3, 2016, 8:27 am

No i Only flush 1 time in the week because the water bill is to high :)

same here, like what op said. I flush somewhat early so I can see my pee go down the drain.

TRAUMA - June 3, 2016, 8:31 am

I do.

Why? So people don't have to hear the dripping of my poss into the water.
And before the snake starts drizzling, I pee right above the water line so its soundless.

Yakless - June 3, 2016, 8:31 am

Dude I always flush when i'm like 75% done it saves time that I could be using to ruin retards in CS:GO.

funtela - June 3, 2016, 8:32 am

Haha I knew I wasn't the only one. It's a habit now x) I don't remember the last time I waited to finish to flush lol.

Getsuga - June 3, 2016, 8:35 am

I do the same but I wipe my pee dots off the toilet seat first

BorkoSquad - June 3, 2016, 8:35 am

Yup, I do this all the time. I've only had to flush twice like once, I'm a God at this.

Do you NOT lift the toilet seat? Are you crazy?! Don't you know what can happen?!

Mouse? - June 3, 2016, 8:38 am

Only if there's something already in the toilet and it's hurting my nose.

My aim is always a little off when I pee but I dont mind wiping a few pee dots

SexWax - June 3, 2016, 9:00 am

I do the exact same thing. I try to match the flush time with how much I have to pee lol. See if I can finish peeing before it's done flushing.

funtela - June 3, 2016, 9:01 am

Just read that one in three people do this lol. A lot more than I thought! Good to know I'm not alone x)

Rich Brian - June 3, 2016, 9:02 am

I sometimes do that if Im in a rush

Zexo - June 3, 2016, 9:03 am

No my arms are too short to reach the flusher so I just wait till i'm done and smack my weenie on it and make it flush.

i think we might be lost twins

Vitani's Mate - June 3, 2016, 9:43 am

Yeah. I wouldn't really like a toilet that will smell like piss and the water is all fucked up from weeks

of piss build up.

? TAQ ? - June 3, 2016, 9:47 am

I can't see a reason to why I or anyone else would do this, I mean flushing multiple times when you move your bowels is different.

Snapchatme - June 3, 2016, 10:02 am

Lmao yeah I do this a lot when I'm in a League game or cba to wait lmfao or it's just a habit
