Old news but still quite sad. There's some really amazing compilations of him on YouTube. For those under a rock - <https://www.youtube.com/watch?v=jkhpZoPOfZI>

You are a total friend. Did you really quote yourself in your sig? That's the dream here on HF

If I recall correctly I remember reading he died from respiratory complications due to his parkinsons,
is that correct?

RIP.

Really sad, he was a pretty good boxer.

DailyMail - June 4, 2016, 7:09 pm

RIP Muhammad Ali best the world have seen we do miss our legends and he's the latest to have gone!

TBE ClockWork - June 4, 2016, 7:10 pm

He was the greatest of all time and will probably remain that as the sport has in some ways died and no one really fights like they use to.

Rigel - June 4, 2016, 7:25 pm

This is probably the 2nd thread on the topic but yeah, rest in pepperonis Muhammad Ali. He was the greatest boxer I'll ever know.
