Thread: [\[Contest Over\] - Winners Posted and Notified](#)

Steve - June 5, 2016, 10:01 pm

Hello everybody! I will be giving away two \$10 Xbox Credit Codes and \$20 BTC! Simply post only once to enter if you win you can choose what you want, I will be using random.org to choose the winners at the end of Goodwill Monday my time (exactly 24 hours from now).

I know most people would want the \$20 first, but I had the codes too so I figured I'd throw them in!

There can only be one winner of each item so if the first winner picks the \$20 BTC the second and third have to take one of the codes, but you can always sell it for some BTC.

Note: I am at an internship and don't have much control over my schedule, so I will update this thread if I need to change the time of announcing the winners.

Happy Holidays and good luck!! :)

Steve - June 6, 2016, 10:20 pm

Alright everybody, 24 hours has gone by so this giveaway has officially ended!

I have just drawn the lucky winners! In order we have users with the following post numbers:

First winner:

Spoiler [\(Click to View\)](#)

Spoiler [\(Click to View\)](#)

Second winner:

Spoiler [\(Click to View\)](#)

Third winner:

Spoiler [\(Click to View\)](#)

I have decided those who win the \$10 Xbox credit codes can opt to instead take \$7.50 BTC if desired. That being said, I assume that the first winner (Vendetta) will choose the \$20 BTC, but I still want to wait until he officially responds to me can choose his prize before the second and third winners get their prize. I realize that I could've just made the \$20 BTC automatically a "first place prize", but in order to be consistent with how this giveaway was advertised I will wait for Vendetta to choose his prize before rewarding the other two.

Assuming the winners get back to me in a timely manner, I will send out awards tomorrow. I am at an internship with a schedule so it will probably be later in the day unless I get immediate responses before I go to bed tonight.

Congratulations to those who won and look out for your PMs!

Thank you to all participants, and good luck next time :)

Happy Goodwill Monday!
