Thread: [Wubzer Spam -- Skype Spam Tool](#)

Wubzer - June 6, 2016, 7:05 am

I decided to make a little spam tool because why not.

Feel free to download and if you use it please comment it works! :D

Download: [deleted]

(Replace the space between bit and ly with a . :))

Password: PM me for password, if you can't PM then don't leach and actually go post!

Read the post bud. I do not allow leechers, the only way you will get my tool is if you PM me yourself. Not my fault you do not post.
