Thread: [DM To @Verified Twitter FREE! \(Chance To Get Verified\) / TEMPORARILY CLOSED!](#)

Assailant - June 6, 2016, 2:00 pm

Temporarily closed. Please do not PM me. I will reopen this soon, I just don't want to do too many in such a short amount of time.

Hi all,

I've noticed a lot of people selling this. No disrespect to any of them, but I think this is extremely unfair, as the odds of you actually getting verified from it are slim to none, but possible. I will DM the @Verified Twitter for you completely free. This forum has treated me very well over the years, giving back once in a while does me no harm.

I have access to a fairly big and active verified gaming Twitter account, yes the owner knows and I have full permission. So if it's ever going to work then this account stands a big chance.

Rules:

There are none, just simply send me a PM titled "Verified" with your Twitter @, I will do this for all members who I feel are fairly active on the forum, I don't care if you are upgraded or not. I will reply with a message saying "Sent!" as soon as I have sent a DM for you.

[CLICK HERE TO SEND ME A PM!](#)

Good luck! ?

PS: If for any reason giving this away breaks any rules, please let me know immediately. Thank you.

Undefined - June 6, 2016, 2:03 pm

Sent a PM. Hopefully this'll get verified :)

(Jun 6, 2016 02:02 PM)Depict • • Wrote: [\[CITE\]](#) If and when Twitter does look into getting someone verified, they will also do a nice check of the account that sent that DM. In any case, if it's not your directly owned account, expect the account you are 'suggesting' to get verified to be suspended, and a lot of chaos to come with the verified account at hand.

?

I highly doubt mine would ever get banned, but I hope it doesn't.

(Jun 6, 2016 02:04 PM)Depict • • Wrote: [\[CITE\]](#) If you don't own the account, and are logged in maliciously or what have you, trust me, you are playing with fire.

Same logic as, using fake money at a bank, someone is going to notice.

I have had access to the account for an extremely long time and have done similar things multiple times. I have permission from the owner to have access to this account, it's not "hacked".

I do not need this but I am glad to see you do this because I have seen so many people selling this for \$5 which makes no sense to me! They out here basically scamming people.

MrNacho123 - June 6, 2016, 8:20 pm

I don't personally use Twitter but I know for a fact that being verified is very exclusive. It's very kind of you for hosting a service like this for free :)

I honestly have no idea. It could be days, weeks or even months. The chances of you getting verified are extremely low though, I'm not going to lie to you and get your hopes up. That's the reason I'm giving this away for free.

Salman Khan - June 7, 2016, 3:48 pm

PMed you just now with my username.

Hope will get verified.

AssGang - June 8, 2016, 7:25 am
