+mK - June 6, 2016, 5:40 pm

Er, I'm not sure - I suppose you could just look at my profile. I'm pretty sure I've bought someone UB3R a year or two ago.

JohnTravolta3242 - June 6, 2016, 5:41 pm

I used to do so many fucking giveaways and the assholes didn't give me even a thank you in return. I literally spent days using after effects and photoshop to make free sigs for ubers.

Zeke - June 6, 2016, 5:41 pm

Other than help people excel in their skills, be there for those who were depressed, help some broken hearts to join again, welcome newbies nicely without being a jerk, reviewing graphic designs, make some designs for free, give some free advice.. not much.

Ultras - June 6, 2016, 5:45 pm

I have given some fantastic advice in Innuendo and donated enough for Omni to buy himself a couple pizzas. #winner

chase. - June 6, 2016, 5:49 pm

I have already given out my first rep to a user on this thread 4 more to go :D

Raf Simons - June 6, 2016, 5:51 pm

None whatsoever. I have not and will not contribute to this forum. I'm sure the people who bought my upgrades are real disappointed.

Getsuga - June 6, 2016, 5:54 pm

I have contributed by sharing my anime suggestions to others.

chase. - June 6, 2016, 6:05 pm

Still need to rep 4 more people come on boys

Goat - June 6, 2016, 6:08 pm

Well so far I've contributed nothing, but my plans are to contribute as much as possible.

Cap - June 6, 2016, 6:17 pm

I have donated for awards that support Omni, upgraded a member to Ub3r, created tutorials, had some other giveaways, offered free mentoring services for monetization, and offer fitness advice.

mrfixit - June 6, 2016, 6:36 pm

Truthfully, I've contributed nothing. I'm going to start to try and be really involved in the community and picking up as much info as I can. When I get the money, I'm upgrading and donating immediately, till then I'm just going to do what I do.

Reven?nt - June 6, 2016, 6:40 pm

I gave positive rep to those who deserved it. Then I decided to wear this signature for free for about 3 days. Other than that I just been spreading the love.

Rigel - June 6, 2016, 6:48 pm

I used to do free graphic requests in that section as well as just help out in the Innuendo section before it was all junked and brought back. I'm good with relationship and LGBT advice. I also kept a thread on my transition from female to male.

jakeoh - June 6, 2016, 6:49 pm
