Good luck with your group,
May you check out this rule:
"Gambling

We don't allow the site to be used for gambling which entails on-site lotteries, pools, or drawings.
Discussion of gambling itself is allowed."
Be sure to respect it!

I obviously understand the rules before I even began to think of making a gambling section. That part of the help doc is even stickied in the Gambling SF. Thanks for your concern though.

The graphics for this group are outrageous, especially the Header Animation. Good job to whoever made that! Goodluck with the remaster Krave.

GrandpaSherman - June 9, 2016, 5:53 pm

When can I be inserted into the group? I can play 3 chords flawlessly on the Ukulele and Guitar. I speak enough Mandarin chinese to get the House Friend Rice Special at my local Chinese restaurant, as well as enough Spanish to complete an order at any Chipotle nationwide.

You hurt my feeling, we discussed in the Brotherhood Lounge and on the Skype group. I got denied because Ariana did not like him, because I made him left the Brotherhood after I told him that he had no personality because of its username and avatar...

Really, you don't remember anything? :(

Well, that's unfortunate, try to apply again, everyone deserves a 2nd chance. If you would have made an inactivity request, it would have been fine I guess

I don't want people getting confused so I put some credit in the thread.

Evisuuu/Changement d'ambiance created the Userbar, Ficon and Divider while #Doge created all the header variations.

Thank you for all the kind comments so far! The new recruitment should be up by the weekend while the gambling recruitment should be up within the next 24 hours. (I hope)
