Thread: [Valor's Daily AGC | \[BUYING AGC Frequently\] | \[65+ VOUCHES!\] | Need -> \\$0 AGC @ 70%](#)

SIM-2501407 - June 10, 2016, 12:27 pm

DO NOT ASK ME IF I AM SELLING BITCOIN. I AM NOT SELLING BITCOIN. My [daily exchange for BTC](#) is closed.

Just because I am done with Bitcoin exchanges, doesn't mean I am done with all exchanges quite yet. ?

Rate: 70%

Need: \$0.00 AGC.

Payment Options: PayPal or BTC

Only have one thing for my TOS right now:

- I will not go first, so don't bother asking. Middle man is fine, he/she may hold BTC (or PayPal) during the duration of the deal.

FAQs

How can I contact you?

ALL deals will be handled through the private message system, however, i have skype for fast communication. Skype: [hf.valor](#)

Do your rates change?

Yes, I set them for what I want at the current time.

Why should I trust you?

I have dealt over \$10,000 USD in Currency Exchanges, which includes hundreds of dollars (\$250, \$400, \$700, etc.) done in one transaction. This service makes me a decent amount of money, so I would have no reason to scam.

How about you show some proof of amount of transactions you have done?

You may refer to my vouches/feedback down below. I appreciate all feedback, whether constructive criticism or positive.

You're the second person to message me about buying/selling BTC when this thread is not even in regards of this. Learn your lesson about not reading and annoying people. Also "PLEASE" stop asking to have your rep given changed because it will not be removed.

"This is not fair."

There is a good reason you are on my ignore list. Life isn't fair and the reputation given was more justified than a lot of rep given out on here, so stop being a little cry baby.
Post was not even on topic.
