Thread: [No Distribution Online Virus scanners](#)

ParadiseDealz - June 11, 2016, 2:10 am

- 1) <http://scan4you.net/> ?
- 2) <https://malwr.com/> ? (Im not sure about this as two members said it distribute files with virustotal i recommend not to use it till i find more info about it thanks)
- 3) <http://nodistribute.com/> ?
- 4) <https://scan.majyx.net/> ?
- 5) <https://viruscheckmate.com/> ?
- 6) <http://pscan.xyz/>

This For the members who dont know where find no Distributing Online Virus scanners ?

If there are more sites comment below it will benefit the members here in HF

Yeah the scan engine is of virustotal but they give a radio button to untick distribution.

Don't know if they just have given the button for name or or they actually care.
