It involves quasi e whoring, and I would consider it greyish hat. I personally would end up divorced like I explained to hoof if I did it which would cost me prolly a shit tonne more than \$45 a day. However for you basement dwelling kids who watch to much porn and shit, I guess this would work.

(Jun 13, 2016 05:56 AM)Evanescent Wrote: [\[CITE\]](#) My personal review.

Simplicity : I myself found the method is really very simple and can be followed with ease. He has explained in steps with some small tips which is really gonna help. I'll give 8/10.

Authenticity : This method(E-whoring) is known to many but the technique he's using is different. This method will take a bit of time to earn but it's a best method which guarantees the earning. He claims to be a graduate in psychology and knows the stuff how people's minds work. I myself would fall for this method as there's nothing to loose. I'll give 9/10.

Grammar : He has used good grammar which can be understood by everyone, though small spelling mistakes. 9/10.

Overall : Can be followed by anyone but really needs talking and patience skill. 9/10.

(Jun 13, 2016 07:13 AM)Effexion Wrote: [\[CITE\]](#) Hoof has taken an age-old method and brought it to life with his own tweaks and twists. This leaves for a very interesting method, and one I would recommend. OP has really take his time writing this up. There are no half-hearted cuts and everything is explained is precise detail.

Sadly, I am in the same situation as B3A5TM0D3, I would lose my wife and family if I was ewhoring, but to those that don't have such ties this is a dead cert.

(Jun 13, 2016 10:16 PM)Sapio Wrote: [\[CITE\]](#) Hoof-hearted lays out exactly what to do in a concise manner. I didn't know of this method before, I believe it is unique and sure to make you what he claims if you do it well / long enough. I haven't had time to try it yet but it seems like very easy money. You have my vouch.

FOR ANY QUESTIONS PLEASE SEND ME A PM

Ok so I read the method. It believe it would actually work. I have suggested a tweak to hoof as well. It involves quasi e whoring, and I would consider it greyish hat. I personally would end up divorced like I explained to hoof if I did it which would cost me prolly a shit tonne more than \$45 a day. However for you basement dwelling kids who watch to much porn and shit, I guess this would work.

I think you should maybe try using a vpn, proxy and sock, and trying your method with mixed proxies and socks. Also some proof of payment might help your buyers. I also "personally" believe

you might need a cutoff profit amount or maybe shit could get suspicious...just sayin. I would make \$15 a day and leave it at that. Even \$5 just to be safe. That's me but.
