Thread: [BUYING super OG and high stat IG accounts \(\\$20k+ budget\)](#)

Oagen - June 13, 2016, 2:10 pm

Hey folks, I'm looking to buy some more IG names, but only looking for super OG and/or high (real) stat.

By super OG I mean something like @football, @healthfood, @interiordesign, etc.

By high (real) stat I mean >75k real followers with the appropriate amount of engagement expected from that.

I already own a lot of super OG names and am looking to have more. I'm very well-versed in this space so am not OVER paying, but I'm always happy to pay a fair price for a fair name.

Any transaction >\$1000 I won't be going first, just fyi. Any transaction >\$10k I'm happy to travel and give you the cash in person. I prefer using an escrow service for \$x,xxx transactions, for which I'll pay the fee.

Thanks in advance!
